Graded Exercise 2 (5 pts)

Writing 1 – A place I'd like to visit

1. Read the sample passage about an interesting place.

Write two paragraphs. In the first paragraph, say what the place is, where it is, and when the best time to visit is.

In the second paragraph, say why you want to visit and what you would do there.

I'd love to visit Angel Falls in the Canaima National Park in Venezuela. The best time to go is from June to December, when there is lots of water. During the dry season, the river has less water, and it's less impressive.

I want to go there because it's the world's highest waterfall—979 meters from top to bottom. It looks really beautiful. I would take lots of photos and go hiking up the mountains in the area.

Include some facts about the place.

Remember to use comparatives or superlatives.

Use some new words from this unit.

2. Write about a city you want to visit. Answer the questions to plan your passage.

1 What is the name of the city? Where is it?

2 When is the best time to visit it?

3 Why do you want to visit it?

4 What would you do there?

3. Now write your passage. Follow the model you read in exercise 1.

[illegible]

Writing 2 – A biography

4. Read the sample passage about a person who achieved something important.

Write three paragraphs. In the first paragraph, say who the person is and write about their life.

In the second paragraph, say what the person's achievement is. Include some details.

In the third paragraph, say how the person inspired you.

Neil Armstrong was born in Ohio, U.S.A., in 1930. After finishing college, he joined the U.S. Navy as a pilot. In 1962, NASA chose Armstrong to be an astronaut.

Armstrong was the first person to walk on the moon on July 20, 1969. While they were on the moon, Armstrong and his partner Buzz Aldrin planted a flag and carried out science experiments.

Neil Armstrong inspires me because he and the other astronauts were so brave. The mission was very dangerous, and some people said it was impossible. Armstrong showed the world that people can achieve great things if they are brave and work hard.

Remember to use the past simple tense.

- 1 Who is the person?
- 2 What is the person's background?
- 3 What is their achievement?
- 4 How did the person inspire you?
